The Department of Forest Resources Management invites applications for part-time sessional lecturers for 2020W Term2 (January to April 2020)

GEM 540 Linear Regression Models and Introduction to Spatial Statistics – term 2 only (1.5 credits)

This course is an introduction to linear regression models and spatial statistics.

The successful candidates will deliver core lectures; coordinate with guest lecturers; organize and run lab sections; organize tests, mid-term exams, and grading; and hold office hours weekly. Applicants should include with their letter of application a CV and the names and email addresses of two references. Applicants should send application materials to:

Department of Forest Resources Management
2045 – 2424 Main Mall
Vancouver, BC  V6T 1Z4
Attn: Joanne Dean, Administrative Manager
Email: careers.frm@ubc.ca

Deadline: June 26, 2020

All positions are subject to enrolment, funding and will be governed by UBC’s Agreement on Conditions of Appointment for Sessional and Part-time Faculty Members.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code, including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person.

All qualified candidates are encouraged to apply; however Canadians and permanent residents of Canada will be given priority.
